Empty weight	≈ 8,200 lb	Condition	Dry, solid; cosmetic wear

Used 20' **WIND & WATER TIGHT**

Exterior	20' × 8' × 8'6"	Interior	19'4" × 7'8" × 7'10"
Rear door opening	7'8" W × 7'5" H	Capacity	≈ 1,172 cu ft
Empty weight	≈ 5,000 lb	Condition	Dry, solid; cosmetic wear

Rule of thumb: a 20' holds about a one-car garage of gear; a 40' doubles it. High cube adds a full foot of height for tall equipment and shelving. Every unit is steel, lockable, and sits on its corner castings — no foundation needed. Delivered price by ZIP at containerconnectusa.com or (401) 702-4391.
